WARNING!

Under Florida law, an agritourism operator is not liable for injury or death of, or damage or loss to, a participant in an agritourism activity conducted at this agritourism location if such injury, death, damage, or loss results from the inherent risks of the agritourism activity. Inherent risks of agritourism activities include, among others, risks of injury inherent to land, equipment, and animals, as well as the potential for you to act in a negligent manner that may contribute to your injury, death, damage, or loss. You are assuming the risk of participating in this agritourism activity. –SB 1106-2013-179

I have read, understand and agree with the above regulation.
